

Angel' Chouest states "I have come full-circle at the LTC - Florida Parishes Campus". She first came to the Florida Parishes Campus as a student worker while completing her Senior Year at St. Helena Central High School. Upon graduation from high school, she attended a Certified Nursing Class at night at the Florida Parishes Campus. After becoming a CNA, she enrolled in the Practical Nursing Program at the LTC - Florida Parishes Campus. Angel was diagnosed with Thyroid Cancer in 1999 and had to complete radiation treatment. She completed her Practical Nursing Program at the LTC - Hammond Area Campus after becoming cancer free. Ms. Chouest worked as a practical nurse from March 2001 at the Villa in Jackson, LA, the St. Helena Parish Nursing Home and the St. Helena Community Health

Center until August 2009. At the beginning of the fall 2009 semester, Angel' began teaching classes in the Certified Nursing Assistant, Patient Care Technician (PCT), and Medical Assistant programs at the LTC - Florida Parishes Campus, while currently enrolled in the RN Associate Degree in Nursing. Angle' says "I really love teaching and working at the Florida Parishes Campus".
